

# 11501570036 | 7 pieces - 6 torsion TiN coated bits PH + 1 magnetic bit holder

Case of 6 TiN coated PH torsion bits + 1 magnetic bit holder | Torsion effect and practical belt clip attachment

- 6.35 mm hexagonal shank
- With colored ring
- Belt attachment clip
- TiN coating
- Torsion breakage-resist.

3 PH 1 bits + 3 PH 2 bits + 1 magnetic bit holder - BBOX case

#### Machine

### Features

#### **Properties and benefits**

- + 6.35 mm hexagonal shank / DIN 3126 C 6.3 standard: geometric characteristics comply with dimensional standards. 
  ◆ Enables a perfect hold with bit-holders.
- ➡ With different color rings depending on the screw heads ➡ For the simple and fast recognition of screw head types. Each screw head has its own colour code
- → Belt attachment clip 
   Clips onto your belt and frees up your hands
- + TiN coating: surface treated with titanium nitride, for resistance to wear. 
  ◆ Enables greater longevity of the screwdriver bit and protection against corrosion.
- ♣ Break-resistant twist: reduced central geometry and special thermal treatment that absorbs peak screwing forces and extreme torque variations. Prevents the premature breakage of the bit, as well as its premature wear, for a longer service life.
