

11901170065 | Pack of 3 TECHNIC clipster sets : 1 set of 5% graduated cobalt metal drills bits 6pcs Ø 2 to 8mm + 1 set of 5pcs Ø graduated concrete drills bits 4 to 10mm + 1 set of 6pcs Ø2 to 8mm 3-point graduated wood drills bits

High-performance drilling in all materials: rapid drilling in metal, concrete and wood thanks to specific technologies: cobalt HSS for stainless steel, carbide for reinforced concrete, Speed-Point for hardwoods.

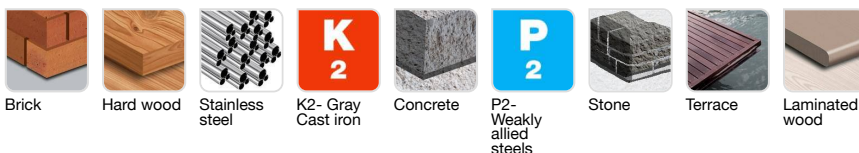

- Especially for stainless steel and high-strength steels
- Especially for hardwoods and terraces
- Especially for reinforced concrete and hard materials
- Ultra-precise drilling
- Comfort and precision

1 set of compact clipster metal drills made from 100% recyclable material. Anti-shock peripheral reinforcements. Easy opening and ergonomic tool storage. A groove for measuring diameters is built into the case. Composition based on essential dimensions. Ø 2- 3- 4- 5- 6- 8mm +1 set of compact clipster concrete drills made from 100% recyclable material. Anti-shock peripheral reinforcements. Easy opening and ergonomic tool storage. A groove for measuring diameters is built into the box. Composition based on essential dimensions. Ø 4- 5- 6- 8- 10mm + 1 compact 3-point wood bit set made from 100% recyclable material. Anti-shock peripheral reinforcements. Easy opening and ergonomic tool storage. A groove for measuring diameters is built into the box. Composition based on essential dimensions. Ø 2- 3- 4- 5- 6- 8mm
